Term 1 Week 9

## PRINCIPAL'S REPORT

Term 1 has been a short term, however full of exciting activities and rich learning opportunities. Students have enjoyed beach swimming, Scitech robotics program, soccer carnival, work experience, TAFE courses and community based learning programs to name a few.

The Workplace learning team has been very busy this term, supporting several of our senior students transitioning into employment. Congratulations to the following senior students who have gained employment this term:

Aiden Hughes - Ability Centre

Corey Evenis, Thomas Raju, Azaria Denmead - Activ Bentley

Ben Armstrong - Alinea

Congratulations to Tarkin Barker who has gained a 1 month employment contract at Perth Children's Hospital and Tania Costa Amado who has gained a work trial at Activ Bentley.

On Tuesday 30<sup>th</sup> March, we welcomed our new families with a special morning tea. Thank you to Board representative Dawn Barker for her heart felt speech about her children's journey through Leeming ESC and their transition pathways post school, both children are enjoying rich and fulfilling lives. Thank you to the Board for coordinating the event and I hope families enjoyed getting know each other and continue to develop networks and connections throughout their children's education at Leeming ESC.

Next term, I will be enjoying three weeks long service leave and will return to work on Monday 10<sup>th</sup> May. While I am on leave, the very capable administration team will include:

Principal	Evelyn Riley
Deputy Principal	Kerryn Coles
Deputy Principal	Cathy Houden
Student Services	Emma Ratto

I would like to thank all the staff who have been outstanding during this very busy term. I hope you all have a wonderful relaxing holiday break.

Keran Davies

## STAR AWARDS

ESC 7	Form 7.1	Aisha Lee
ESC 8	Form 7.2	Luke Datzberger
ESC 10	Form 7.3	Brianna Sherratt
ESC 5	Form 8.1	Billy Kidd
ESC 6	Form 8.2	Emma Gage
ESC 9	Form 8.3	Jake Lewis
ESC 17	Form 9.1	Cameron Crnobrnya
ESC 11	Form 9.2	Sebastian Devlin
ESC 12	Form 9.3	Nick Fleming
ESC 1	Form 10.1	Lachlan Frewer
ESC 3	Form 10.2	Henry Baum
ESC 4	Form 10.3	Lily Murton
ESC 2	Form 11	Poppy Selfe
ESC 13	Form 12.1	Liam Ford
ESC 14	Form 12.2	Joshua James
ESC 15	Form 13	Kasper Zelen
Employee of the Month		Taj Kouniali
WPL		Jone Potgieter
		Sian King
		Ruichen Wang
Phys Ed		Nick Fleming
		Ryan Dong
Leeming Link		Riley Green

**TERM DATES 2021**

Term 1	Mon 1 Feb – Thur 1 Apr
Break	Fri 2 Apr – Mon 19 Apr
Term 2	Tues 20 Apr – Fri 2 July
Break	Sat 3 July – Sun 18 July
Term 3	Mon 19 July – Fri 24 Sep
Break	Sat 25 Sep – Mon 11 Oct
Term 4	Tues 12 Oct – Thur 16 Dec
Break	Fri 17 Dec – Mon 31 Jan 2022

#### School Development Days:

Term 2 Monday 19th April

Term 3 Monday 23rd August

Term 4 Monday 11th October & Friday 17th December

#### Public Holidays 2021

Good Friday – Friday 2nd April

ANZAC Day – Monday 26th April

WA Day – Monday 7th June

## FEES & CONTRIBUTIONS

The total amount payable for Years 7 to 12 is \$300.

Credit card payment is available using our bPoint banking facility via our school website ([Leemingesc.wa.edu/payments](http://Leemingesc.wa.edu/payments)). Please be sure you are on the Leeming ESC website and not the mainstream high school website.

Click on the 'Parent Information' tab then 'Payments', click 'Online Payments' then 'make an online payment' and enter the requested details.

BPoint can also be used to pay for camps and excursions. Ensure the event the payment is for is clearly stated in the detail area of the payment screen.

Please note we do not have EFTPOS facilities on site but payment can be made either by cash, cheque, bPoint or alternatively you can pay directly into the school bank account. State the students name / fees or event as your reference.

BSB Number 066040

Account 19900866

Name Leeming SHS ESC

## PARENTS' FACEBOOK PAGE

The private Facebook group is a safe space to help parents and carers connect with one another, offer and receive support, share information, experiences and resources, and foster social connections between students out of school hours. The group is administered by the parent representatives on the LESC

Board - Dawn Barker, Joss Morgan and Fran Robb. The Facebook group can be found at the link below where you can request to join. For more information, contact Fran on 0409102556 or email [francesca\\_robbs@hotmail.com](mailto:francesca_robbs@hotmail.com)

<https://www.facebook.com/groups/377265386625078>

## FOLLOW US ON FACEBOOK

Follow the official LESC Facebook page for event information, photos, student updates and parent updates.

<https://www.facebook.com/LeemingSHSESC/>

## UNIFORM SHOP

The Leeming SHS uniform shop is open Tuesday, Wednesday and Thursday between 10.15am and 1.45pm and is run by P&C members. Junior School shirts are years 7, 8 and 9. Senior School shirts are years 10, 11 and 12.

## ESC 1 LACHLAN FREWER

Here we are at the end of a shortened term one. We have achieved so much in such a short amount of time and I am so proud of all the students in ESC1. We have made an awesome start to the Workright program, doing work experience at school and at Striker Leisure and Rec Centre. The students have taken to the program amazingly and we are so grateful to have our supervisor Glenda supporting us. We have completed a number of jobs, including cleaning the gym equipment, vacuuming the netball courts, general cleaning of the canteen area and stocking the shelves with food and drinks for customers. A huge thank you to all the staff involved with making this program run so effectively and special thanks to Mrs Carter, Mrs Long and Mrs Lester-Smith for all their assistance in making the start to this term so smooth.

We have also started our journey with the My Plan documents. Students have done some preliminary work in class which they were able to bring to their first My Plan meeting and share with our families and guests. All of our meetings were incredibly

positive and it has been a pleasure sharing this experience with our dedicated families and support staff.

We would like to wish the entire Leeming SHS ESC community a safe and happy holiday period and look forward to continuing the great start in term 2.

## ESC 2 DALLAS HOLDSWORTH

ESC 2 has had an absolutely amazing first term! The students have achieved so much in what feels like a blink of an eye. We have now completed all of our My Plan meetings between parents, students and myself, and they were just fantastic. Our year 11's have some really clear goals with what they want to achieve in school and at the work place. Two of our students have become independent in the workplace and another two are getting employment offers for later in the year. How amazing is that!

We were lucky enough to visit Sculptures by the Sea this term. The students were very excited to go and see all the amazing artwork created down on the beach.

In between all of the work place learning, CBL and certificate courses our students have been involved in, we have managed to spend some time in class completing our Maths & Literacy Programs. We have been talking about rules in school for literacy and creating some online brochures with all of the information they have collected. We have also just finished planning our class party for maths. The students have planned everything from how much money we needed to spend, the healthy food we bought and even created the party itinerary.

We are looking forward to a fun term 2 in ESC 2. I would like to thank all of the students for the continued effort they have put into all of their work. And also a very special thanks to our EAs in the room, Miss Hackett, Mrs Putland, Mrs McCaskie and Mr Borges, for the amazing work they have done this term!

## ESC 3 AMBER BLACKBURN

The students in ESC 3 have had a fantastic first term. We have commenced work experience at Striker Recreation Centre and are enjoying the different roles and responsibilities we are taking on. Students have developed their creative writing skills and written narratives. We have also been working on our addition, subtraction and multiplication. We have started working towards our business enterprise, with lots of exciting things in the works! In Bush Rangers, we have created a presentation on water conservation, and shared this with a year 7 class to educate them on saving water. Below, we have recorded our favourite parts of term 1:

**Makenzie:** My favourite part in term 1 was my certificate course and that I learned my 3 times tables. I also like work experience because I like working in the canteen. I enjoyed writing my story called 'The Stolen Red Ruby.'

**Alyssa:** My favourite thing I liked was swimming on Fridays. I liked going to Strikers for Workright and I made my My Plan.

**Henry:** My favourite thing about term 1 is hanging out with Raymond, Alyssa, Makenzie and Karleigh. My other favourite thing is having work experience at Strikers and doing my My Plan meeting with Miss Blackburn and my Dad.

**Ella:** My favourite part of term 1 is dancing. Every Tuesday in period 3 I dance with my friends. I also love to sing along to the songs.

**Skye:** My favourite thing in term 1 was colouring in. I have been learning to write. I wrote a story about dragons.

**Lachy:** I liked swimming in the deep water this term. I liked going to work at Strikers. I liked writing a story about a witch and a wizard that lived under the sea.

**Aidan:** I have enjoyed communicating with my friends. I spoke in front of my tute group to teach them about how to use my AAC device to interact with me. I have enjoyed swimming and yoga this term.

## ESC 4 ENDURANCE ENOMA

This term, my students have been participating in Workright, an ASDAN program designed to prepare them for life in the workplace after school. It covers a wide range of work-related skills such as; Health and Safety in the Workplace, Being responsible in the Workplace, Working with others in the Workplace and You at Work. As part of the delivery of this program, students have been going to Striker Indoor Sports & Fitness business in Leeming every Wednesday. By undertaking a wide range of jobs in the Gym and Cafeteria areas of the business (under strict supervision) students have been given the opportunity to experience what it is like to be in the workplace and what it means to work together as a team. The Striker business experience complements other in-school learning activities aimed at preparing them for their main work placement (Workplace Learning) commencing in Term 4.

ESC 4 students, as participants in the Bush Ranger Cadets program have identified that responsible waste management is essential to environmental conservation and sustainability. Serving as untiring advocates of environmental protection, students went from classroom to classroom this term to spread the message of "Reduce, Reuse and Recycle". They undertook a recycling project which encompassed conducting a comprehensive research and analysis of the environmental impacts of waste. The cadets also reused polystyrene esky

boxes that were thrown away by some supermarkets as garden beds to grow various types of vegetables and herbs to demonstrate one way that reducing, reusing and recycling waste protects the environment.

ESC 4 adopted a professional approach to setting up their own small business this term. They chose a business idea (*making Toilet Soap from natural ingredients*), business name (*Natural Temptations*) and collected environmental information (*administered survey to staff*) to gauge staff interest in their products to determine if the business will be viable or not. The outcome of the survey demonstrated staff strong interest in five variants of the soap including (1) honey soap with cinnamon and oats, (2) Oatmeal soap with lavender, (3) Olive oil soap with lemongrass, (4) ginger, Lavender soap and (5) Goat's Milk soap with patchouli. A number of staff have already pre-ordered which speaks volume of the popularity of this business amongst members of our school community (staff). The income generated from this business will be split in two parts – one portion will go to a charity organisation while the other half will be for classroom use. Students have responded positively to this authentic and non-compartmentalization approach to learning which involved drawing on skills from different areas including Mathematics (calculating the expenses and profit, conducting surveys, plotting graphs of how many people needed a particular type of soap, etc) and English (recording sales and speaking confidently to potential customers). It has been a very productive term and I wish all students and staff a happy and safe break. Happy Easter everyone!

## ESC 13 POONAM PARWANI

Wow... how time flies. I can't believe that it is almost the end of the term. ESC 13 have hit the ground running and in spite of the short term, have covered so much ground. Students have been busy sharpening their maths skills through the CBL and Enterprise programs and working hard at identifying skills and qualities they need to be work ready.

As part of our Bush Ranger program, we have been learning about conservation and what they can do to protect our planet. On 22<sup>nd</sup> March, we went to the Canning Vale Recycling Facility. Here are comments from our students:

**Liam:** I like seeing how the rubbish is sorted and seeing it happen in front of me.

**Lauren:** My favourite part was looking through the window and looking at how the different machines work.

**Kane:** I like seeing the worm farm and how it is used in the garden.

**Tania:** I like looking at what happens to our rubbish.

**Thomas:** Our tour guide is so clever. He told us about how we can recycle better.

**Luka:** I like seeing the compost garden and learning about the fogo bins.

**Corey:** I like seeing how the big machines sort the rubbish.

Our students have been actively involved in planning and running the enterprise program. The students brainstormed lots of ideas and one of the ideas was to create dog biscuits. The class decided to name their company the 'The Wonderful Dog Shop'. The first round of sales was a hit and we sold over 300 biscuits, we plan to donate the proceeds to an animal rescue group. We are taking a break from producing dog biscuits but will certainly come back towards the end of term 2. Next term we will be undertaking another enterprise. We will be selling personalised aprons and have been producing little scented bottles, perfect for Mother's Day. So watch this space.

It is so heart-warming to see more of our students reaching their milestones so early in the year. Congratulations to Thomas and Corey for gaining employment at Activ, Tania for securing a work trial at Activ, Aiden doing remarkably well at his job at Containers for Cash, Ellie and Liam for making good progress through their Activ Internship program and Lauren, Kane and Luka making wonderful inroads at school and at work. Congratulations also to Kane for winning the Most Valuable Player at the Interschool Cricket Carnival. We are so proud of all of you.

Ms Parwani, Mrs Smithson, Mrs Johnson, Mrs Hales and Mrs Cox.

## ESC 5 LORRAINE VANN

Wanjoo!

We acknowledge the Whadjuk people of the Noongar nation as the traditional custodians of the land and its waters and pay respect to their elders, past, present and emerging.

ESC 5 have had a busy term and enjoyed the support of amazing volunteers, Henry Counsel and Adam Di Biase. Look for Mr Di Biase as he is featured below.

The students have completed an 'Identity Project' and during this self-discovery journey, learnt that we are all unique and special. They identified their bodies and facial features, skills, qualities and recognised that these facts shape their character and how they behave. During this project, the students identified how they demonstrate the schools USTAR values; Unity, Self-responsibility, Team work, Achievement and Respect. The students compiled their learning into a profile portfolio. Congratulations to all students on their very impressive portfolio. Well done!

The end of the term also brings the end to the mBot coding robotics project. The students continued to increase their technology skills and used their knowledge and skills to support their year 9 peers to build their mBot model and access the coding, to program their robots. Everyone has been fully engaged and rewarded with an end of term excursion to Scitech.

In Bush Rangers, the students worked collaboratively to research environmental threats and voted to implement a Black Cockatoo Conservation Project. They decided to share information and get involved in the Cocky Count project, create a donation tin, write and illustrate a book, create posters and cards to sell at the 'Pop Up Shop'. The funds they raise will be donated to 'Kaarakin Black Cockatoo Conservation Centre' and the 'Perth Zoo Conservation Project'. These are two very worthy causes and we are incredibly proud of the students work.

### Students Comments

**Coby:** I like mBots and Digitech working on the Internet Minecraft. It is great!

**Samuel:** In term 1 I like the Black Cockatoo and art because I got to draw underwater animals. I also like DI because I listen to Mrs Blacklock.

**Billy:** Dear school I like the new ESC5 its cooler I absolutely love this term from Billy. I love Digitech because I like technology.

**Thomas:** This term I really like robotics, DI because I like to spell. I also enjoyed dance with Ginger and Miss Allomes.

**Isaac:** I like going to dance because I like dancing, like Michael Jackson, and during my identity project, I enjoyed learning about future jobs (I like to be a Police Officer).

**Evan:** In Term 1 in ESC5 I went to Digitech. I enjoyed learning to use a computer, coding and Minecraft education edition.

**Gurman:** I enjoyed drawing in art, going on connect, and learning about a going on CBL in term 1.

**Phillip:** I like art because art is fun for me. I don't ever want to leave art.

We would like to acknowledge and thank. Each student for their tremendous work this term and wish everyone a happy and safe holiday. Well done!

## ESC 6 EMMA GAGE

Term 1 has just zoomed past and we can't believe how much learning we've managed to squeeze in. The ESC 6 students have settled in beautifully at Leeming ESC, and it has been wonderful to see everyone reconnect with their friends and peers, and begin to demonstrate some year 8 maturity and resilience. This term, one of our highlights has been our Science program, focusing on materials. I have been so impressed with my class and their science understanding and inquiry skills demonstrated throughout the lessons. We have learned about a range of materials and the different properties to describe the way different materials feel, such as hard, soft, heavy, light, bumpy, smooth, etc. We explored the different materials used to build our school such as metal, plastic, glass and wood, and have learned about whether certain materials are magnetic or if they can float or not. This term, we also celebrated and learned about St Patrick's Day and Harmony Day. We wrote down all the things we feel lucky to have, which was a lovely activity to show our gratitude. For Harmony Day, we paired up with peers in our class, and identified the many similarities and differences between one another, to recognise the diversity in our own class. We have also been enjoying our option classes this term, including music, dance, D&T, home ec, PE, art and DigiTech.

Have a look at the photos below of our science program, and the many other term 1 highlights from the year 8.2 students.

We are looking forward to term 2, as we have many exciting things coming up, including the year 8 camp, but first let's enjoy the well-deserved two week break. Happy Easter!

Miss Gage.

**Rohan:** My term 1 highlight was Archer's and Izzie's birthdays and playing Minecraft Education in DigiTech.

**Brock:** My term 1 highlight was Dance and Music class.

**Izzie:** My term 1 highlight was my birthday and learning about the different recycling bins in Bush Rangers.

**Star:** My term 1 highlight was using paint and making jellyfish out of clay in Art.

**Ari:** My term 1 highlight was Archer's birthday when he handed out icy poles.

**Goldie:** My term 1 highlight was making stuffed fish in Art.

**Jai:**

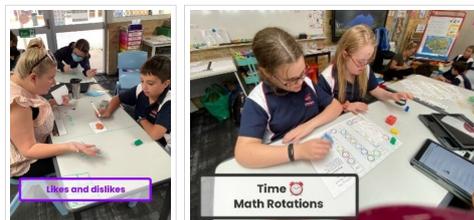

**Archer:**

## ESC 9 EMMA RATTO & JENELLE HEARD

Wow, Term 1 has got off to a busy start in ESC 9. We welcomed Miss Heard and Miss Mitchell into our classroom, and of course spent week 1 wearing our masks! We have been learning how to create exciting recounts based on true events, using place value to partition numbers and using respectful language to communicate our likes and dislikes. This week, we also begin our CBL outings! I am so proud of how each student has transitioned into year 8 and the kindness and respect they have shown towards others. You are awesome ESC 9!

Miss Ratto

What a beautiful start we have had in ESC 9! I am lucky enough to teach students on a Monday and Tuesday this year. We have been learning about lots of different things, including telling the time, types of environments, healthy/unhealthy food and mindfulness in peaceful kids. We have also started a step challenge, where students wear a "stepper watch" each day and have a daily step goal, which is recorded on our "step challenge map." It's fantastic to see students challenging themselves and incorporating more steps/movement into their school day. A big thank you to Miss Mitchell for creating our beautiful map which is on display in our classroom.

Well done to all students for settling in so nicely & working hard during class! I am looking forward to an enjoyable and successful year.

Miss Heard

**Adriano:** This year we have learned how to make chicken sandwiches, avocado wraps and nachos. I like trying different recipes in cooking. Cooking is fun.

**Corbin:** My favourite activity in school is to make a book using the Laptop. I have also learnt new computer skills in ICT.

**Ethan:** This year on Wednesdays, I am doing ICT and Minecraft in PowerPoint. I am learning how to do programming on the PC because I like learning about computers.

**Ginger:** Dance is my favourite thing at school. I love doing Hip Hop and can keep in time with my friends. I feel happy at dance.

**Jake:** My favourite subject this term is maths as I am having lots of fun learning how to tell time. I made a clock which I use during my math lessons.

**Jenelle:** My favourite subject this term is sport because I get to do yoga every Thursday.

**Patrick:** This year I am doing an ICT class. We have been learning about how computers work and the parts of a computer. I like doing ICT because I am interested in technology.

**Willem:** This year I have been doing music for options classes and it is fun but the activities are not what I expected but that's fine. My favourite thing to do in my spare time is read a sci-fi books and any other books but sci-fi is my favourite genre. I go to the library and go on the computer and play Minecraft.

**Sheona:** This year we have learned time and place value in maths and we all know how to tell time. I am very good at maths. Maths is very fun!!

## ESC 10 CAITLYN KNOX

The second part of this term has continued to fly by, as these extremely clever group of year 7's become more familiar with high school life. Many of our students independently attend options classes, as well as tute with the mainstream school. We have been so impressed with their resilience and positive attitude towards change and 'never give up' approach to learning.

In the classroom, ESC 10 has been focusing on chemical reactions in science, measurement and geometry in mathematics, persuasive writing in English and family connections and identity in HASS. This is just a snapshot of how busy we have been! The students have also have been enjoying some cross-curricular activities in STEAM, using their inquiry and processing skills as a team.

As part of their options classes, the students have been equally busy. In home economics with Mrs Khosla, the students have been making some delicious meals such as wraps and nachos (which were a BIG hit), in art with Miss Healey they are continuing to investigate sea life and ways to print different shapes. As part of phys ed, the students are learning some cricket skills; including catching and throwing.

The ESC 10 crew are very much looking forward to term 2, which includes our year 7 camp to Point Peron and cannot wait to try a whole bunch of new activities.

But for now, we would like to wish you a fun-filled and safe break; you have all earned it!

Happy Easter everyone.

ESC 10 Team

Ms Knox, Mrs Brayne, Mrs T-J and Miss Russell

## ESC 11 ANGELIQUE DINNING

ESC 11 has had an eventful first term. We have had a successful start to the class business enterprise, "Sweet, Savoury, Selection" where we make muffins and sell them to staff. The students have also successfully taken orders and delivered ANZAC glasses/candle holders to commemorate ANZAC Day. These were so successful ESC 11 donated \$300 to ANZAC Cottage during our recent excursion. The excursion was very informative and both staff and students enjoyed learning about the history behind the cottage and the family who it was built for.

ESC 11 has a planned excursion to Fremantle War Memorial to commemorate ANZAC Day. We are organising the ANZAC Day assembly and have approached the mainstream HASS department to join us in this commemoration.

During term two both staff and students will continue to work towards achieving your child's goals and outcomes.

Hope you all have a wonderful holiday.

## ESC 12 SAM SCARLE

What an exciting term we have had. We have been learning about personal hygiene and 'Glittery Germs'. We have learnt that most of the students in our class do not like using glitter and have voted to greatly limit the use of it in our classroom. We touched pieces of bread with clean and dirty hands and watched it over a ten-day period to see what grew on it. The students were surprised at the difference. With the Glittery Germ and bread experiments we now understand the importance of washing our hands carefully.

Thanks to Mrs Vann & her year 8 class for allowing us to join them with their Robotics lessons. We have had fun building and learning how to make our mBots move with the remote controls and with our coding. We concluded these lessons with a fun excursion to Scitech.

We ended our swimming lessons for the term with our swimming carnival and fun day at Trigg Beach last Friday. It was lovely to see all the students having a ball in the surf and all of them getting involved in the activities that were provided. The smiles on their faces were lovely.

Thank you for your support this term and to Ms Michelle Smith and Ms Madison Sutherland for their assistance along the way. I wish you all a very Happy Easter and safe and restful holiday ready for a busy and exciting term two.

Keep safe.

Ms Scarle

## ESC 14 TAMMY MEGRAIL

As part of our Bush Ranger program, we have been learning about conservation. In particular, ways to help native wildlife and our planet. On Monday 22<sup>nd</sup> March, ESC 13 & 14 went

to the Canning Vale Recycling Facility. Below are what the students learnt and enjoyed about the excursion.

**Joshua J:** I enjoyed watching the rubbish trucks coming and going. I loved the beeping noises they made.

**Reid:** I enjoyed watching the rubbish go through the machine, and I loved the trucks.

**Josh M:** I enjoyed watching the bulldozer from the viewing area. There was a lot of rubbish!

**Jayelan:** I liked finding out about how rubbish is sorted, particularly future options.

**David:** My favourite part was learning about dangerous items not to be placed in any of the bins because they can start fires.

**Nelly:** My favourite part of the excursion was the video we watched.

**Daniel:** I enjoyed watching the trucks dump rubbish. What a mess!

**Max:** I learnt that forklifts are used to pick up the boxes full of rubbish.

**Maju:** I liked the worms in the gardens.

I have included some more photos from our amazing ball that took place at the start of the term. It is still an occasion the students enjoy talking about! We are now busily planning for our upcoming assembly that we will be hosting, as well as getting ready to receive feedback on our sample dog biscuits we have made as part of our Business Enterprise.

Well done ESC 14 Superstars, you should be very proud of what you have already achieved this year!

Miss Megrail and team.

## ESC 15 YOLANDE STEWART

**Azaria:** This term I have been working at Activ Bentley Mondays, Wednesdays and Fridays and I love going there. At school I like dance and when we go out for CBL. We have been to Gateways and bought lunch and we had a picnic after we went to Sculptures by the Sea. I can't wait to go to more places next term!

**Ruichen:** Last week we went to Sculptures by the Sea and got to feel all the sculptures. I like going out because I like riding on

the bus. I have also been going to work with a mentor at GSE in Canning Vale on Wednesdays and Fridays.

**Kasper:** This term I have been working at GSE in Canning Vale sorting toys and DVDs. My favourite thing about work days is having hot chips and gravy for lunch!

**Joseph:** This term I went to GSE. I sort the jewellery and toys in different boxes. At school I went on CBL to Gateways Cockburn and Sculptures by the Sea. I like Gateways the best.

**Kayla:** This term I went to Cockburn Gateways for CBL. I enjoyed catching the bus and the train with my class. It was fun looking at the shops that we picked to look in. I picked Jim Kidds to look at the different shoes that I like. I enjoyed buying my lunch at Bucking Bull and eating with my class. I also loved when we went to Sculptures by the Sea in Cottesloe with my class. I liked looking at all the different sculptures. My favourite sculpture was the tree with the mirrors all around it and with the flowers on it. I also enjoyed taking the school bus with my class and Mr Caddy.

**Eve:** I love going on CBL because we go to places like Cockburn Gateways and Sculptures by the Sea. I like being on the bus and looking out the window.

**Taj:** This term I loved going to dance. We also went to Sculptures by the Sea at Cottesloe Beach and had a picnic.

**Kiara:** I like doing dance because it's fun to do with the class every Tuesday and I get to learn new moves. I enjoyed going to Sculptures by the Sea with my class and it was lovely to see all the sculptures on the beach. My favourite one was the girl reflection in the mirror and the heart one. I like it for someone I love the most.

**Joshua:** It is my last year at school this year. It's going to be really busy. I am in year 13 and am working at GSE. In sport I love playing cricket and I took a wicket and hit a six!

## ESC 17 JACK DRENNAN

Well what a busy start to the year it has been. The term may have only gone for eight weeks, however I think the boys and staff in ESC 17 are looking forward to having a well-deserved break.

The boys have taken part in swimming down the beach every Friday finishing with a fantastic beach carnival day at Trigg beach last Friday. The students toured the lifesaving facilities, played beach games and enjoyed swimming and catching some waves on the paddle boards.

The boys have also been on two CBL trips to Cockburn Gateways, learning how to compare prices of different items between Coles and Woolworths. Each student has also

enjoyed buying their own lunch. Meat boxes and kebab with chips have been a real favourites of the boys.

We have been very creative in class creating numerous pieces of Aboriginal art to coincide with learning about different dreamtime stories. The boys have created a rainbow serpent, different Australian birds, rock art and completed some dot paintings. The class is looking very colourful.

We have all enjoyed a very busy term, and look forward to what next term will bring, with a camp on the horizon.

Thank you to all parents and staff for working collaboratively to help the year run smoothly so far.

Enjoy your break

ESC 17 team – Janet Bruns, Kym Buchanan, Anne Lersdejsakul & Jack Drennan

Have a great Easter everyone and stay safe.

Mrs Khosla

## SPECIALIST TEACHER DEEPIKA KHOSLA

During my Protective Behaviour lessons the Middle School students have been learning about keeping safe, online safety and bullying. The students participated actively and worked in groups to share their ideas. The students have also been learning about Puberty and used the SECCA app to demonstrate their learning. The Year 7 students have been learning how to work safely in their classroom and in the home economics room.

During home economics, the year 7 students have made toasties, healthy wraps, Mexican nachos, taco boats and mini pizzas this term. They have been learning the importance of hygiene while cooking and using kitchen equipment safely.

In craft lessons, years 7,8,9 and 10 have worked on a STEAM Project on Robots.

**Science** - Researched the functions and use of a robot

**Technology** - Took photos of their finished product and used the iPad to watch clips of robots at work

**Engineering**- Constructed a Robot using recycled items

**Art** – Designed a robot

**Maths** - measured the dimensions of their cut outs before assembling them.

They have also been working on their Easter craft which has brought a lot of excitement as the students enjoyed dressing up their Easter chicken and they have been looking forward to taking them home to show their families.

## PHYS ED JENNA ALLOMES & JENELLE HEARD

### Cricket carnival

In week 7 of term 1, selected students were taken to the Kalability Cricket Carnival, hosted by the WACA. Students were divided into two teams- Leeming Lightning and Leeming Eagles. Students participated in 4 games of 'Rapid Fire' which is a modified version of a Cricket game, against various education support schools. All of our students, showed fantastic sportsmanship and enthusiastic attitudes all day! Congratulations to the following award winners for the day:

#### Leeming Lightning

Most valuable Player- Kane Kutniewski

Sportsmanship award- Zach Mustard

#### Leeming Eagles

Most valuable player- Makenzie Alcock

Sportsmanship award- Branden McCaw

Thank you to all of the staff and students involved. It was a brilliant day with a lot of fun had by all!

## WPL SARAH LOMAX

Congratulations to Taj Kouniali who received our Employee of the Month award at our recent assembly.

Taj has maintained enthusiasm and a great attitude towards all tasks at the Good Sammy retail store in Fremantle. He has been very busy sorting and tidying a variety of items in the store. The manager is very impressed with Taj's consistent effort each week. We wish Taj all the very best as he begins his employment program with Good Sammy Enterprises over the school holidays.

We have lots of wonderful employment news to share:

- Tania Costa Amado has commenced a work trial with Activ two days per week
- Kiara Muller has commenced her employment program with Activ exploring the retail industry
- Josh Evans and Joseph Abdelmalek have begun getting to know their Good Sammy Mentors in preparation for their employment programs
- Tarkin Barker has an employment contract with Perth Children's Hospital

We welcomed some fabulous new workplaces this term: The Happy Pet Place, East Fremantle Football Club and The Ability Centre. These host employers have been very grateful to have our students join their team and have valued each student and their work contributions. The students are gaining valuable industry work skills.

We wish everyone a very Happy Easter and enjoy the break... get ready for an exciting term 2!
